

Dear Parents,

This is to update you on the following points:

1. As we intend to discourage usage of mobile phones by our children, we have introduced dictionary that should be handy enough to be carried and consulted every now and then instead of a phone and should be a tool to expand their vocabulary.
2. We also intend to make newspaper reading a compulsory part of daily routine for each and every child.
3. This year onwards, transport preference will be for two way only, however one way transport can be availed by paying 70% of charges.
4. If any parent needs installments in Other Charges/school fee, they will be required to contact Accounts Department through saupinsschoolpklacct@gmail.com latest by 8th April, 2019. Last date of fee submission remains the same. For more information, please log on to www.saupinsschoolpkl.com.
Next session onwards, Other Charges will be allowed to be paid in four installments and Tuition fee on Monthly basis to further facilitate parents.
