

Dear Parents,

As you know, these days in our school admissions are going on for the coming session and for most of the classes, students in waiting list are waiting for any seat to be vacant due to the transfer case or whatsoever, so kindly send us your consent for your ward's continuation in our school. Your timely information will help us save your child's seat or offer the same to a deserving candidate in time.

Failing to inform us by 10th February, 2019, will attract a fine of one month fee.
